

The Inquirer

The WIS PYP Newsletter

Let's have a look what is happening inside and outside our classrooms at WIS

May 2018 #2

During this month, we are focusing on the PYP Learner Profile attribute **"Open Minded"**. We encourage our students to develop this attribute by showing an understanding and appreciation of their own cultures and personal histories, and are open to the perspectives, values and traditions of other individuals and communities. Students should be seeking and evaluating a range of points of view, and be willing to grow from the experience.

Healthy Breakfast

On Friday 4 May students from Prep – Year 5 participated in a healthy breakfast which was part of the Year 2's unit of inquiry on keeping your body healthy. Students were asked to bring healthy food for a shared breakfast. After the breakfast students participated in different sports activities.

WIS Mother's Day Assembly has become a huge annual event in which students take the opportunity to thank all the mothers for what they do.

Prep Unit Of Inquiry

Prep's second Unit of Inquiry was about the materials different objects are made of and why. Their summative assessment was a mini exhibition in which groups explained what materials were used for the objects they made and their function.

Book Week

Week 5 was book week in the primary school with as theme: "Find your treasure". There were a variety of activities organized during the week in the classrooms and outside the library.

There was a "Best reading corner" competition for which classes had to create a reading corner using the theme of the book week. On Friday the book week ended with an assembly in which students came dressed as their favourite book character.

Upcoming Events

- **Friday 1 June:** Student Council Assembly at 8:30 am in the hall
- **Friday 8 June:** Queen's Birthday Public Holiday. There is NO school on this day.
